The Ostermin art festival invites cultural workers based in moabit to apply to help create a series of indoor and outdoor events grouped this year under the title “lieber laut” or “[it’s] better loud”. The heart of the festival takes place in the Kunstverein Tiergarten/Galerie Nord. The participating artists this year include Christian Falsnaes from Denmark and Maksym Khodak, Zhenia Stepanenko and Bohdana Zaiats from the Ukraine who are showing their exhibition “Battle Cry” (until October 22nd).
